Site

A passionate and driven Computer Science graduate with a strong foundation in full-stack development and a keen eye for graphic design. Proficient in JavaScript, Python, React.js, and Django, with hands-on experience in creating visually compelling and user-friendly digital experiences using the Adobe Creative Suite. Eager to apply a unique combination of technical and creative skills to develop innovative software solutions and contribute to a dynamic team.

## Experience

- Industrial Trainee** • GomyCode Nigeria • Lagos, Nigeria  
Participated in hands-on training, gaining practical experience in software development tools and methodologies. Assisted in various coding projects, applying newly acquired skills to real-world tasks.  
Aug '24 – Oct '24
- Software Developer Intern** • Wurabyte Technologies • Lagos, Nigeria  
Contributed to the development of various web applications, focusing on the front-end user experience. Collaborated with a team of developers to write clean, efficient, and well-documented code.  
Jan '25 – Jun '25
- Design Team Lead** • TheGreenCrunch • Lagos, Nigeria  
Spearheaded the design process, from conceptualization to final execution, for brand identities and marketing materials. Managed design projects, ensuring deadlines were met and deliverables exceeded expectations.  
Feb '25 – Present
